## Report on Review of Interim Condensed Financial Information

## To the members of Myanmar Citizens Bank Public Company Limited

## Introduction

We have reviewed the accompanying interim condensed financial statements of Myanmar Citizens Bank Public Company Limited (the Bank) which comprise the interim condensed statement of financial position as at March 31, 2021 and the related interim condensed statements of comprehensive income, changes in equity and cash flows for the six-month period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of this interim condensed financial information in accordance with Myanmar Accounting Standard 34 Interim Financial Reporting. Our responsibility is to express a conclusion on this interim condensed financial information based on our review.

## Scope of Review

We conducted our review in accordance with Myanmar Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim condensed financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Myanmar Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial information does not give a true and fair view of the financial position of the Bank as at March 31, 2021, and of its financial performance and its cash flows for the six-month period then ended in accordance with Myanmar Accounting Standard 34 Interim Financial Reporting.
